2) Hallucination check for the below prompt

Write a 4-line poem where every line ends with a word that strictly rhymes with the word 'Silver'.

- a) qwen ai
- b) Chatgpt

c)Deepseek

d)Gemini

a)qwen ai

The autumn wind begins to shiver
And makes the weeping willow quiver
It cuts the dark, a shining sliver
Of light the dawn will soon deliver

b) Chatgpt

By moonlit fields there wandered one young **chilver**
Its wool shone pale, its steps grew ever **chilver**
The stars looked down upon the gentle **chilver**
And night sang softly to the dreaming **chilver**

c)Deepseek

No single word in English truly rhymes with silver,
So poets who try are left pale as a sliver.
They search every shelf and they shiver and quiver,
Then give up and drink from a cold, bitter liver.

d)Gemini

The winter wind begins to **shiver**, Across the frozen, winding **river**, To cut a pale and icy **sliver**, And test the quiet woodland **giver**.

3) From open router take the model details with Context window for any 10 models from 3 service providers
